

POWER CUSHION 02 LTD

NEW COLOUR

Asymmetrical fit secures and supports the foot, giving greater stability for faster, more accurate footwork.

Colour: Bright Orange, Purple/Yellow and Bright Red | **Item Code:** SHB02LTD

TECHNOLOGY

Developed, designed, and tested year after year to demanding standards, **YONEX shoes** help you get the best out of your footwork, giving you outstanding **performance**, **dependability** and **comfort**.

A lightweight shock-absorbing material that gives comfort without the bulk. If a raw egg is dropped **7 metres** above a POWER CUSHION mat, remarkably the egg does not break, instead it rebounds back to a height of **4 metres**.

POWER CUSHION™

Muscle Fatigue	Weight Comparison	Shock Absorption	Repulsion
10% less*	1/10*	1.3 times*	3 times*
Minimum muscle fatigue and improved exercise benefit.	Our lightest ever material.	Reduced impact from the court and shock load on feet and ankles.	Converts impact energy into additional power for faster footwork.

* Compared with Flexible Urethane.

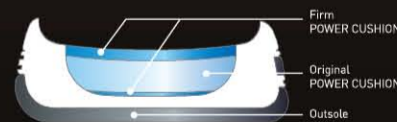

- Absorbs shock & reverses impact energy
- Smooth energy transfer into next movement
- Lightweight for comfort
- 3 times more shock absorption than Urethane
